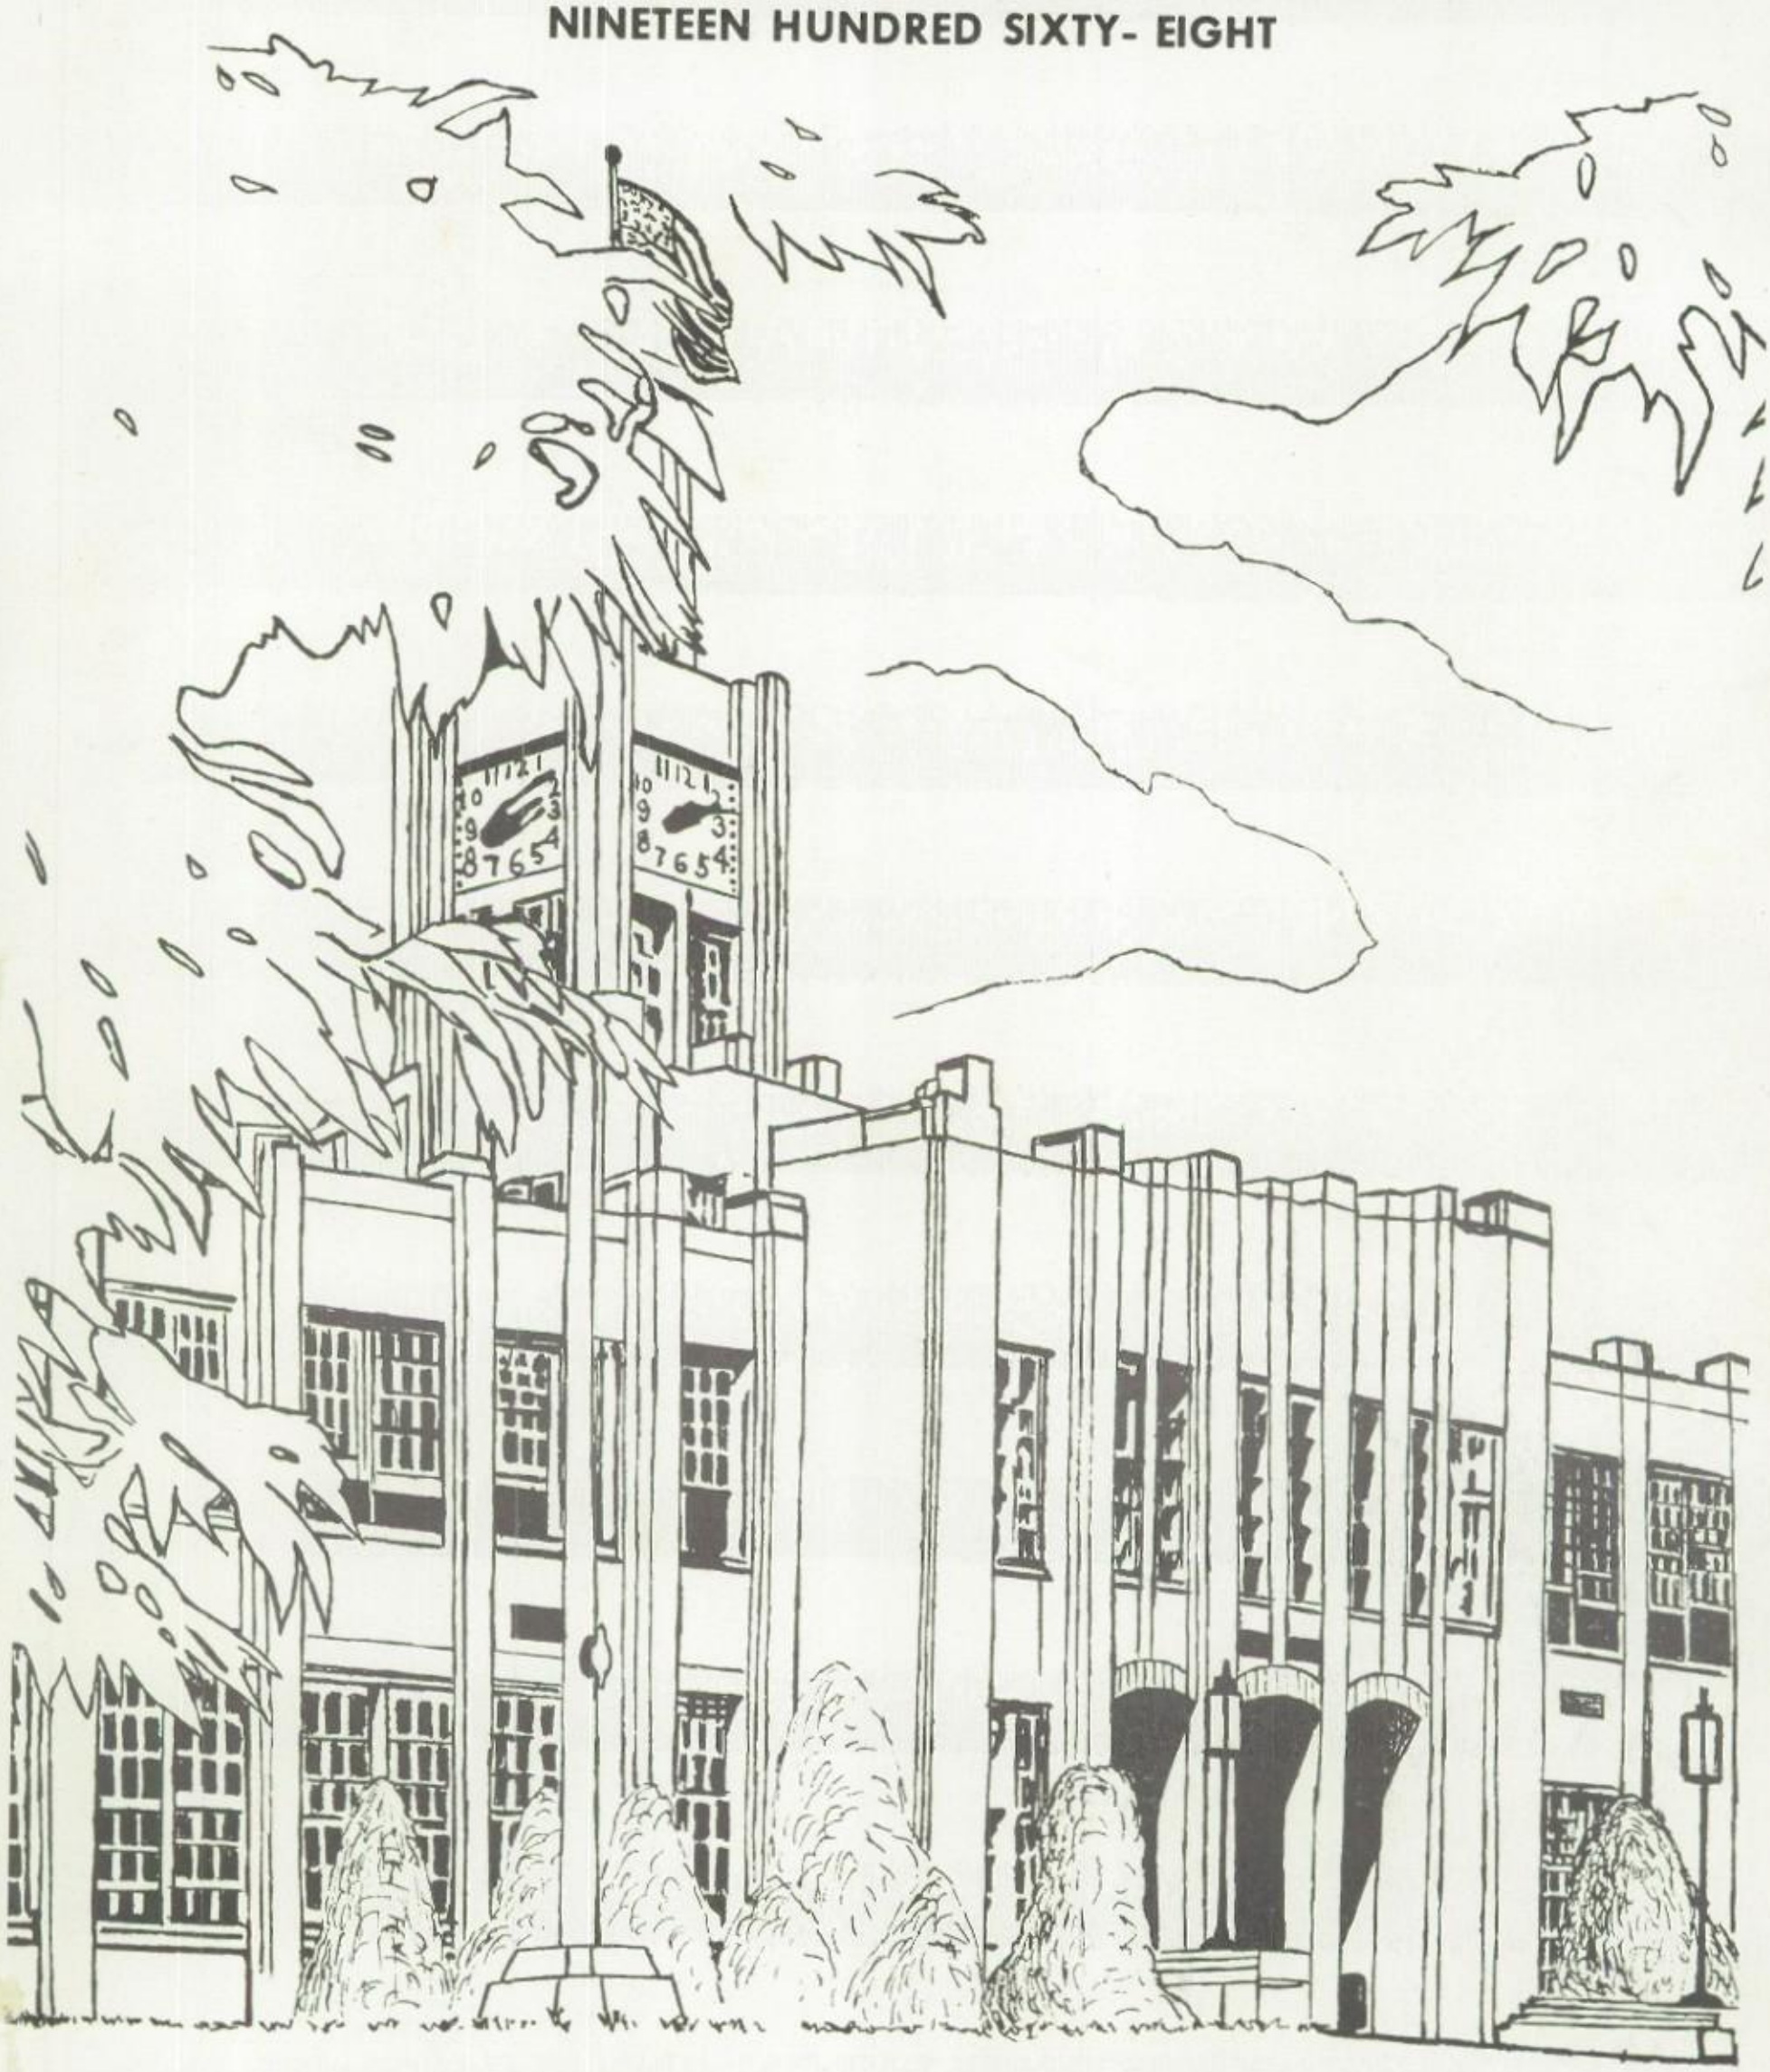
NINETEEN HUNDRED SIXTY- EIGHT

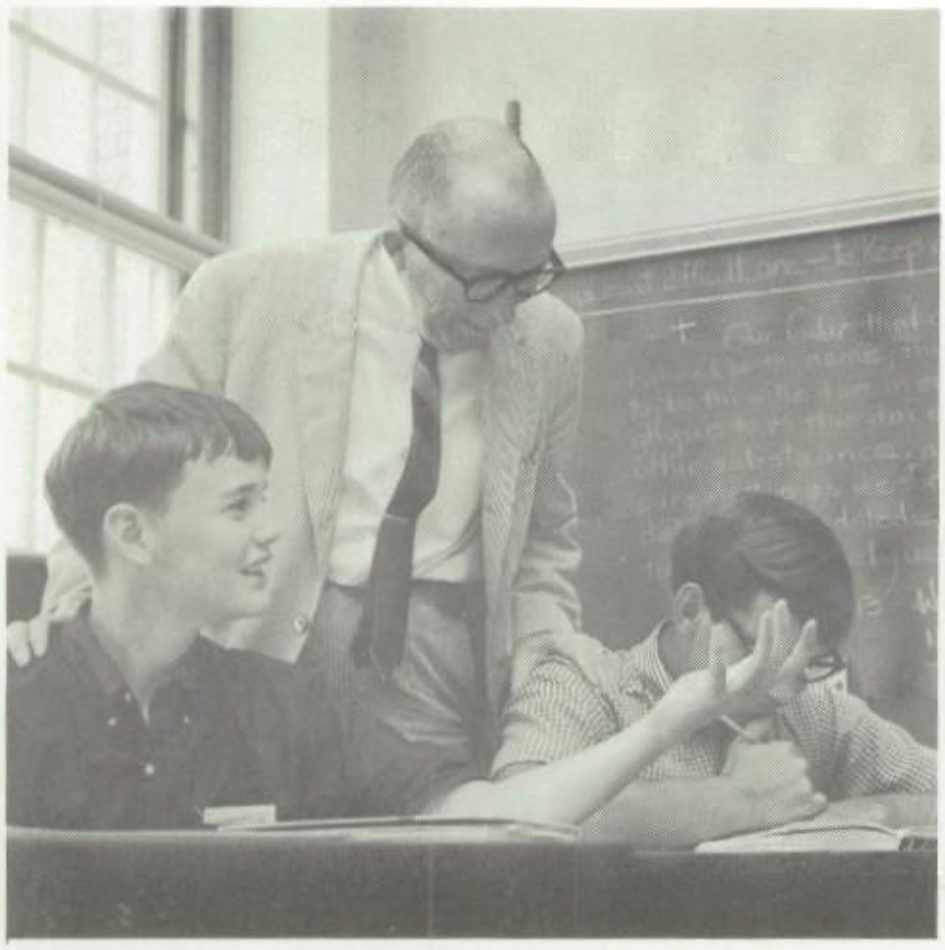


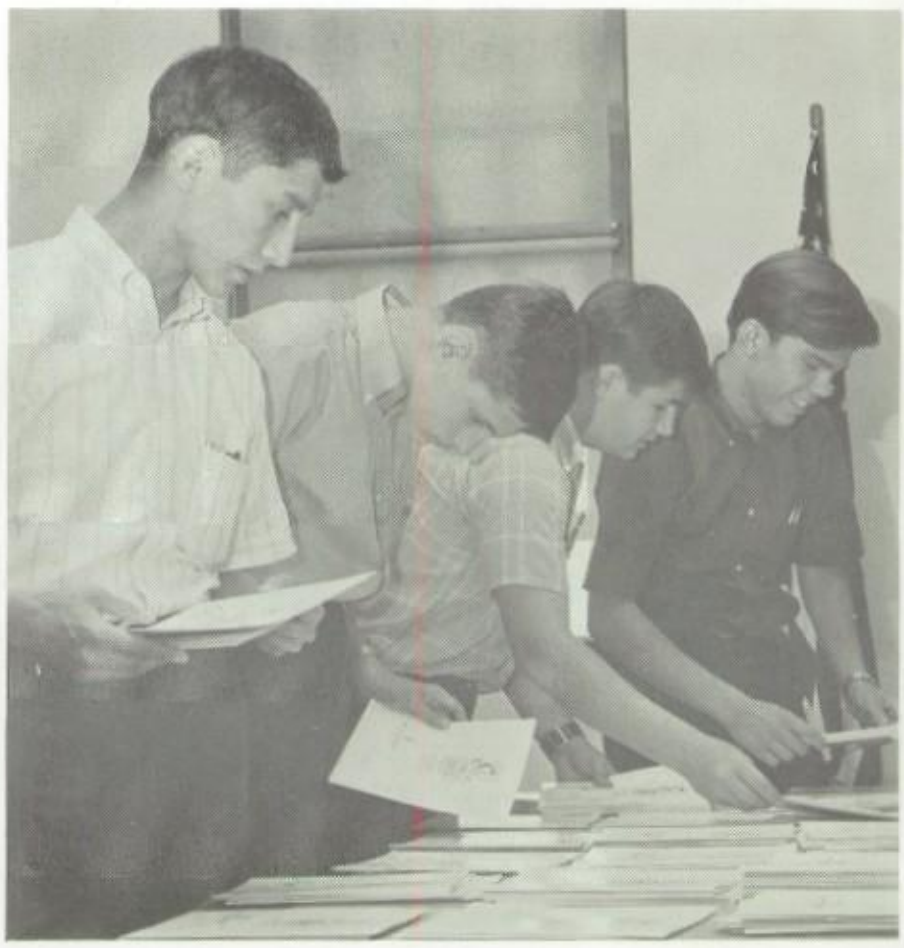
MILTON HERSHEY SCHOOL HERSHEY, PENNSYLVANIA

# THIS IS OUR STORY

# HOW WE LIVE AT MILTON HERSHEY

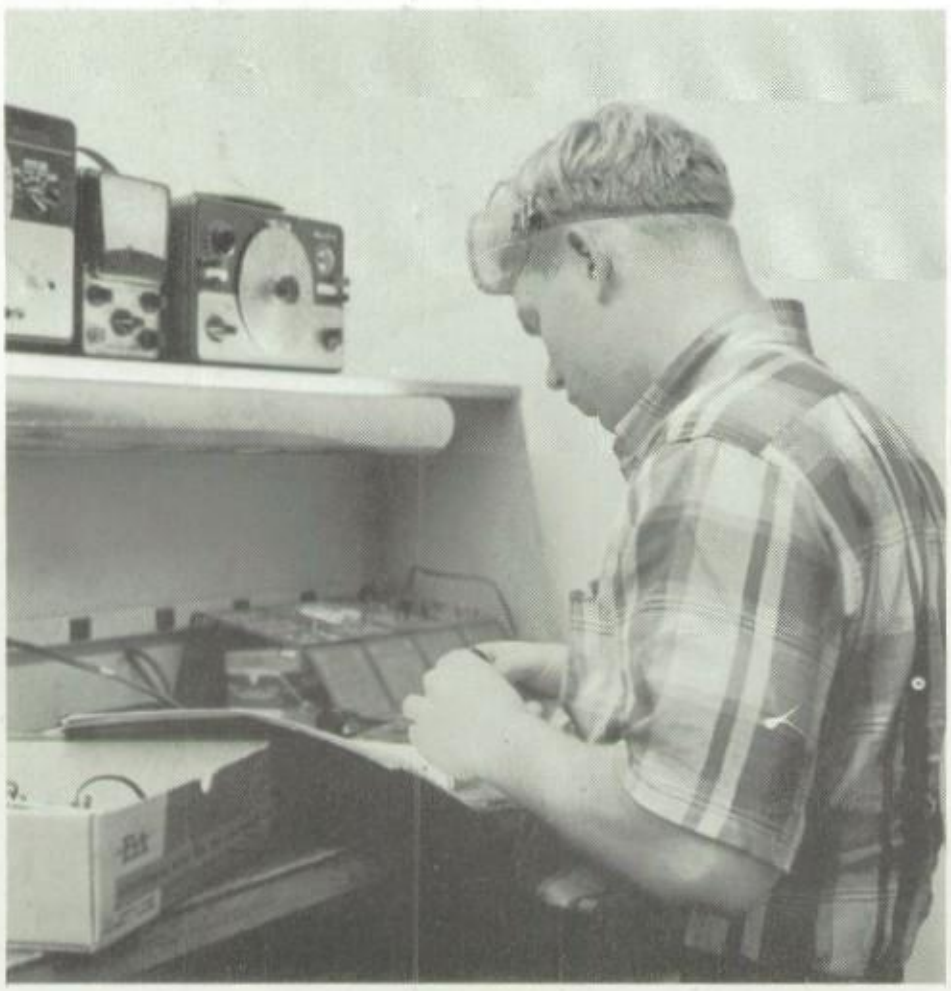
The lives of the fifteen hundred students of Milton Hershey School revolve around their student homes, located in pastoral settings. Houseparents, teachers, and fellow students make up the family. Here, all the activities important for the physical, mental, and spiritual development of the boy are carried on. There is a work program designed to show each boy the merits of worthwhile labor. But all is not work; there is a schedule of recreational activities intended to promote healthy competition and good sportsmanship. There are also opportunities to socialize with those outside the School, through town privileges, parties, and other means. Extremely important in each boy's life is the education he acquires and here he receives the finest in education, through competent teachers and the latest in facilities. The stress is on individual development. Administrators, houseparents, and teachers strive to create an atmosphere where each boy can develop to his full potential.





# HOW WE LEARN

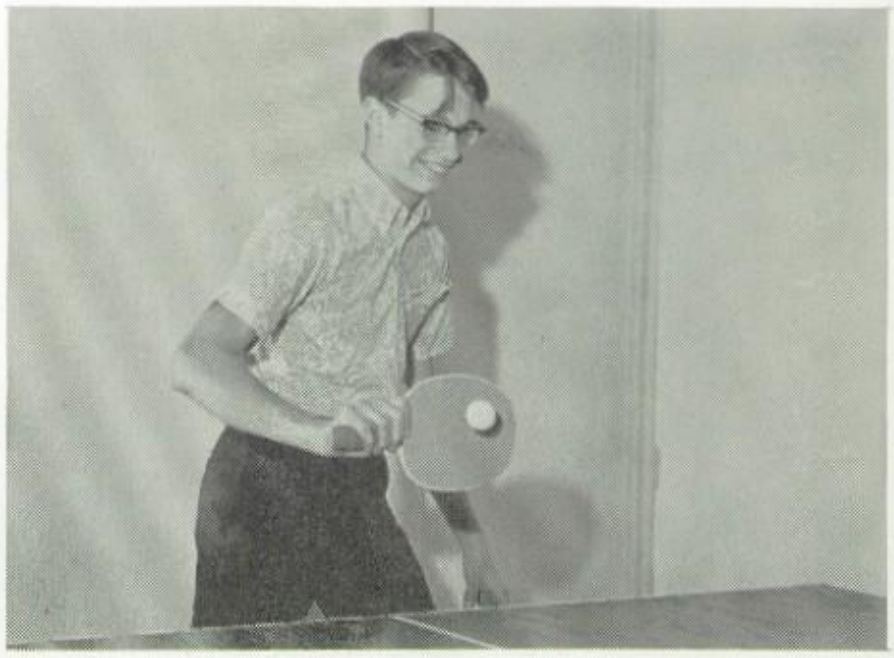
Throughout his years of schooling at Memorial Hall, Catherine Hall, and Senior Hall, the student at Milton Hershey School is provided with the finest in teachers and educational facilities. Upon reaching his freshman year, each student is given a series of tests to determine his aptitudes and preferences for the course of study he will enter the following year. There are three courses open to each student: academic work, business education, or the industrial shops. The training program of the shops consists of a three year period of alternating times of classroom instruction and shop training. There is a wide range of shops to choose from:



agriculture, auto mechanics, baking, candy making, carpentry, electricity, electronics, food preparation, machine shop practice, plumbing and heating, sheet metal and welding, printing, and the general building trades. An alternate course is that of business education where the student learns the special skills necessary in the business field and acquires a broad academic background. The final course is that of liberal arts. Here, a variety of courses is taught to provide a background for further learning. Our School tries to provide each boy with the skills he will need to have a full and creative life.

# HOW WE PLAY

Our play at Milton Hershey School assists in the development of good sportsmanship and a sense of worthwhile competition. Each boy learns to work cooperatively with others and to develop self-confidence. In addition to the sundry types of activities which the boys initiate for themselves, a program of activities has been developed by Lawrence E. Best, director of recreation. These activities include basketball, volleyball, softball, swimming, wrestling, and horseshoe, chess, and checker tournaments. Play helps in the development of the boy's overall character.



# HE MADE IT ALL POSSIBLE

Who is this man to whom Milton Hershey School owes so much for the opportunities he has afforded us? He is a man of the most noble character.

Milton Hershey was born in Derry Township, Pennsylvania, in 1857 of Mennonite parents. As a boy, he yearned to explore the world. After an unsuccessful attempt at printing, Mr. Hershey entered the field in which he was to become famous—the making of candy. His first encounter with this business was in his work at an ice cream parlor in Lancaster.

At the age of nineteen, he entered upon his first business venture in Philadelphia. Despite his hard work and ingenuity, his candy business failed. Soon, however, he was back in business, working nights in the kitchen of his landlady in New York. Again running into financial difficulties, he left New York and established the American Caramel Company in Lancaster. Shortly thereafter, he married a lovely Irish girl, Catherine Sweeney, sold his caramel business for one million dollars, and entered the chocolate field.

His business proved so successful that he was able to build the town of Hershey to house his employees. About this time Mr. Hershey founded our School. After the death of his wife in 1915, he traveled to Cuba, where he set up a sugar mill, built a town, and founded a school for orphans. His philanthropy led the Cubans to give him their highest award, the Grand Cross of the National Order of Carlos Manuel de Cespedes. During the depression Mr. Hershey initiated his own building program to provide work for the citizens of Hershey. Senior Hall was one of his projects. During the Second World War he was able to develop the "Field Ration D," a chocolate bar to provide quick energy for our soldiers. In his later years Mr. Hershey devoted much time to our School, which was growing rapidly.

We are deeply indebted to this man of such determination and selfless devotion to the betterment of his fellowmen.

His years of experience in these diverse fields have equipped him with a broad knowledge needed for the successful direction of this school system. Our school has progressed steadily under his leadership, which has been responsible for the renovation of Senior Hall, the construction of Catherine Hall, and the planning of Founder's Hall. We have also experienced an enlarged student body and an increase in the number of student homes. Dr. Hershey's leadership has opened new opportunities to everyone.

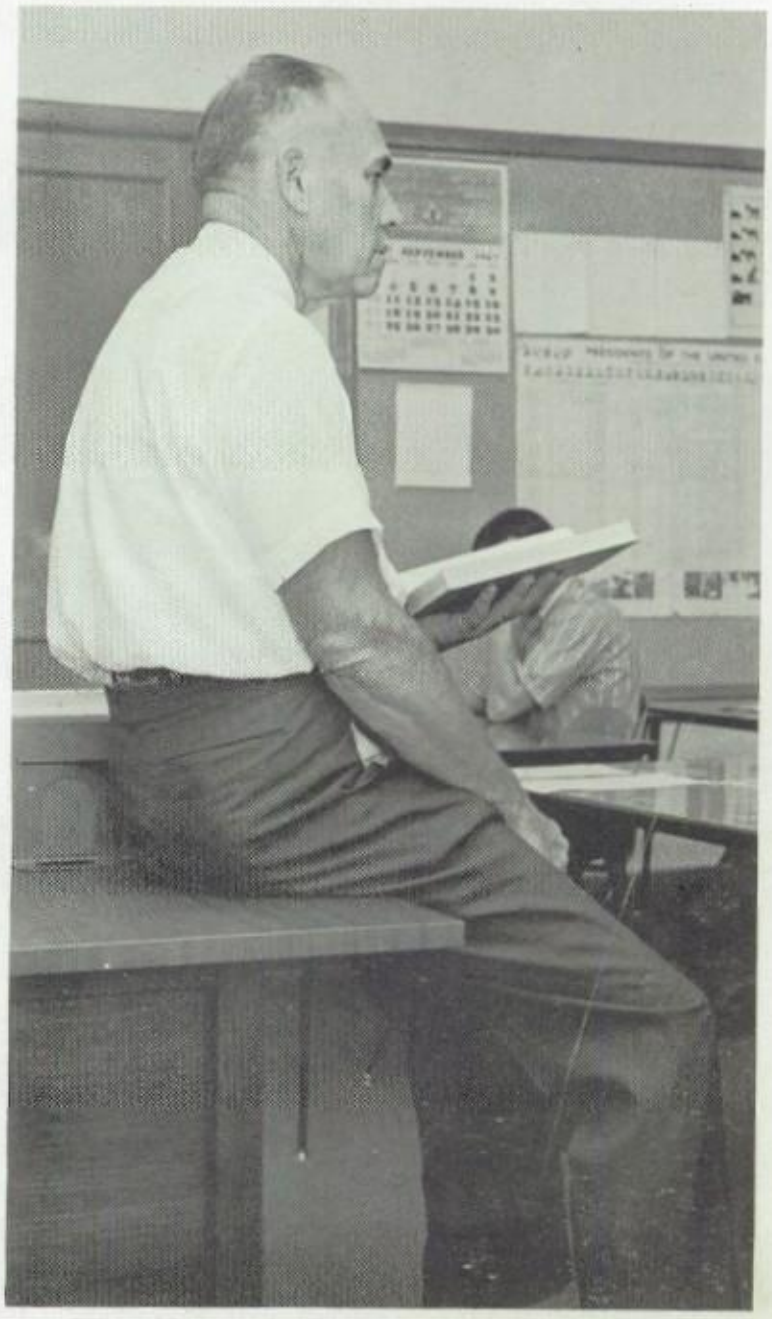
# OUR MEALS AND THEIR ORIGIN

FACULTY

# THEY HELP US DEVELOP OUR MINDS AND TALENTS



C. Floyd Lichtenberger is completing his last semester in his thirty-fourth year as a teacher of social studies and driver training at Milton Hershey School. The big man with the cheerful, booming voice has become a landmark of the School. From the early years during which Milton S. Hershey, our founder, and George E. Copenhaver, first chief administrator, used to visit his classroom till his last days as a teacher, Mr. Lichtenberger has remained a loyal and trusted friend to student, faculty, and supervisor. His departure will leave a gap in our ranks and a void in our hearts. His position can be filled, but "Lichty" can never be replaced.

# SENIOR MEMORIES

# CLASS SONG

As we prepare to leave our school
And future's road to tread,
We ask you now to watch our course
To see which way we head.
The times we face are filled with strife
Of this we are assured,
But now through dear old M H S
Our fortunes are insured.
Now as we go our separate ways
Each one to his own fate,
We give our thanks to M H S
From the class of sixty-eight.

Class Motto

May we always look forward with pleasure and backward without regret.

# OUR STUDENT SENATES

The Senior Senate, comprised of representatives, one elected by the students of each senior division home, provides numerous opportunities to develop responsible leadership. In the regular meetings held in the library at Senior Hall, student home presidents initiate constructive projects which promote the general welfare of the senior division students. Recently, the Senior Senate has sponsored the Spartan Room activities, visits to the Elizabethtown Hospital, and an exchange program with Hershey High School.

Similarly, the Intermediate Senate is organized with the same objectives as its senior division counterpart. Recently, the Intermediate Senate has been instrumental in arranging such programs as guide service at the newly opened Catherin Hall, Christmas cards and Used Skate sales and many other helpful services while building qualities of leadership and a high degree of personal maturity in its members.

To be eligible for membership an applicant must have a perfect student home record for one year, must be one of the top five merit winners for two consecutive merit periods, must have earned the confidence and approval of both houseparents, must be considered worthy of membership by the Home Life staff, and must receive a favorable vote from Headmaster Members.

Members receive extended visiting privileges and permisson to attend all the away athletic events and other special programs. The greatest reward is the prestige and satisfaction of being one of Milton Hershey School's finest men.

# NATIONAL HONOR SOCIETY--- SPARTAN CHAPTER

Since its establishment in our school, in April 1956, the Spartan Chapter of the National Honor Society, with the assistance of faculty adviser W. Lyndon Hess, has done much to encourage the development of strong character in Milton Hershey students.

This year the Honor Society utilized an assembly period to present a court trial testing worthiness of prospective members. Officers in the Honor Society playing parts were Bob Bonchack, president, portraying the judge; Greg Poppe, vice-president, a jury man; and Bill Sarver, secretary, the defense counsel. Other members of the society played the parts of bailiff, jury men, jury foreman, and witnesses.

After testimony by four witnesses as to character, service, leadership, and scholarship, the jury reached a decision, finding the defendants guilty. Judge Bonchack reviewed the case and passed judgement, compelling the defendants to recite the pledge sentencing them to membership in the Spartan Chapter of the National Honor Society.

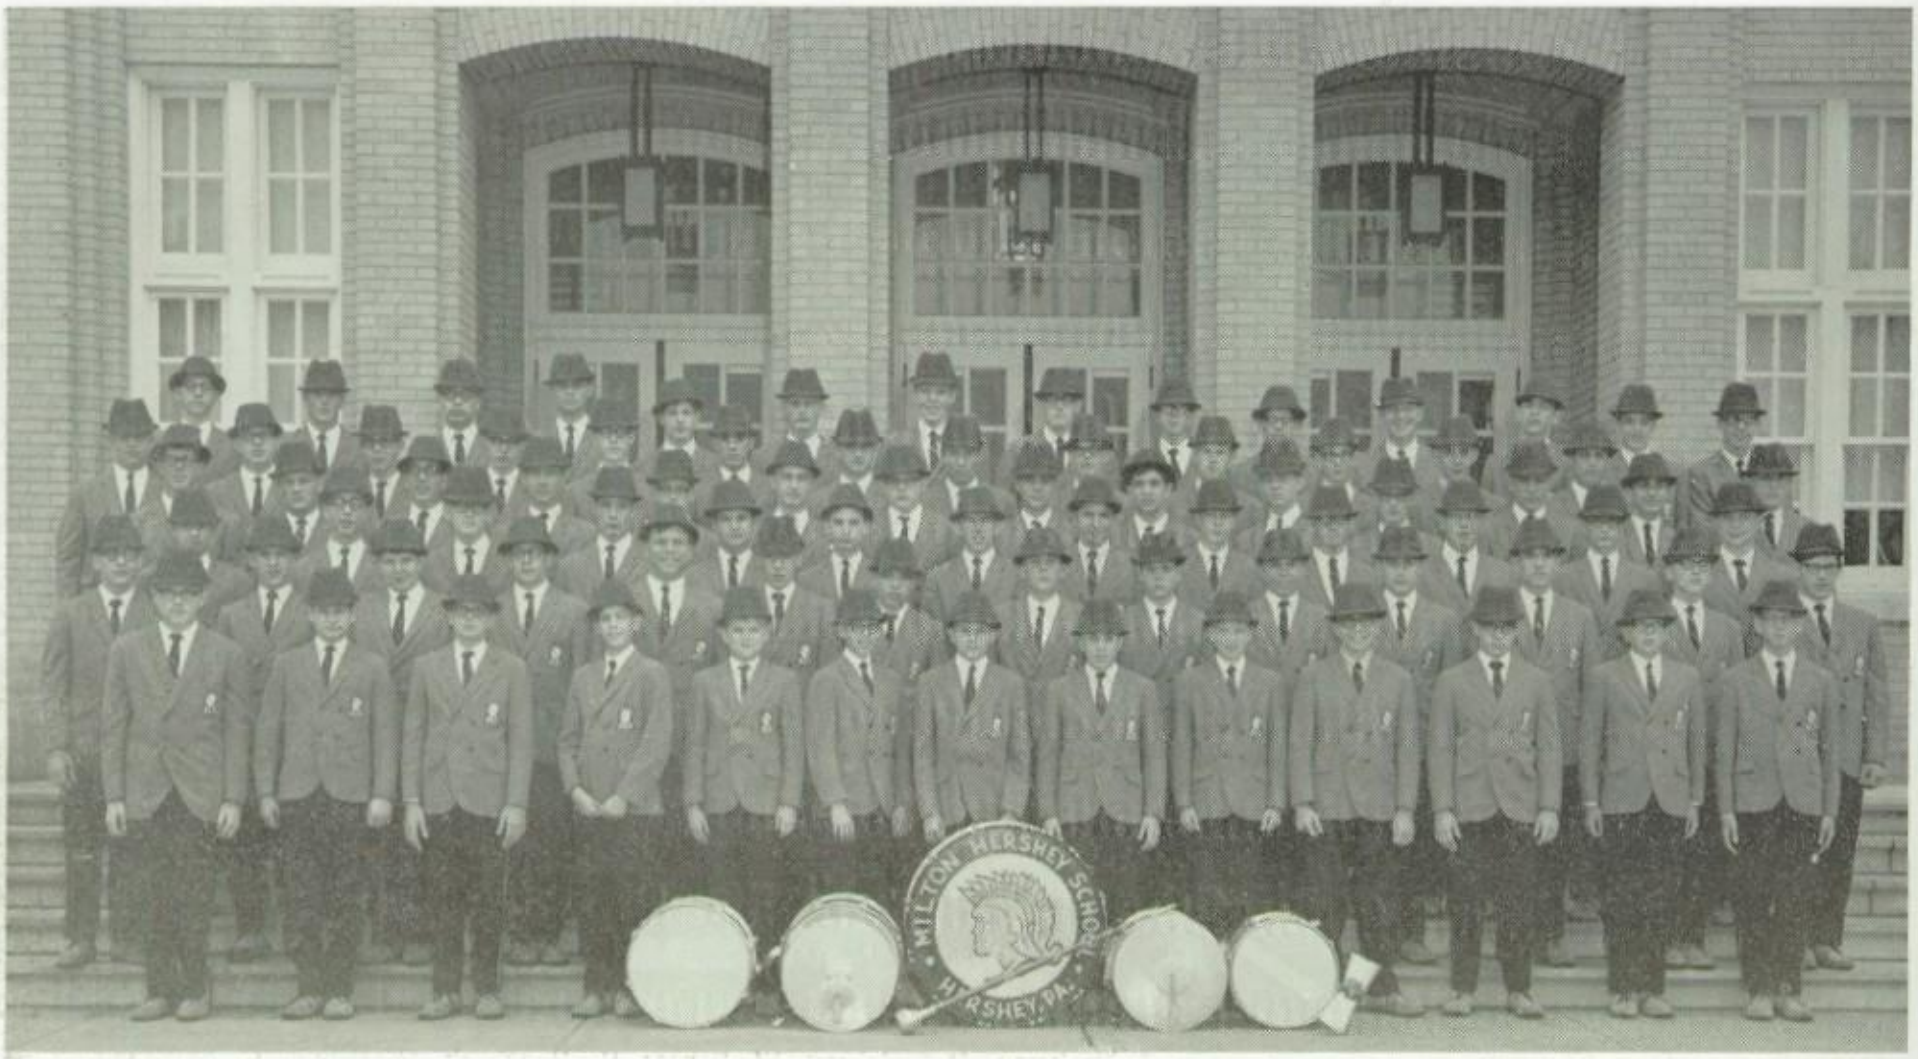
# SPARTAN BAND AT SENIOR HALL

During the ten weeks in which Director Ray B. Miller was hospitalized, the Varsity Band performed under the able direction of William A. Grove. Its first step as a unit this year was the election of student officers. These positions were filled by Ron Benovitz, president; Henry White, treasurer; Bob Leach, secretary; Richard Franklin and Robert Covel, librarians; Clarence Fritz, manager.

Again this year our band traveled to Atlantic City to participated in the Miss America Beauty Pageant. Some other engagements the Varsity Band had this year were an appearance at the Penn State-UCLA football game, and performances in the Ephrata and Hershey Halloween Parades. This year, the band added new routines, which were unique among Capital Area bands and dazzled fans at Milton Hershey football games.



**VARSITY BAND—First Row:** J. Becker, M. Struzzeri, R. Mills, K. Dixon, M. Moreland, C. Prandini, D. Walker, W. German, S. Hayford, D. Bonomo, M. Saia, D. Cromer, D. Parker. **Second Row:** R. # OUR CATHERINE HALL BAND

The Brown and Gold Band has just completed a successful year. Some of this year's highlights were the acquisition of new uniforms, performances at Catherine Hall assemblies featuring a clarinet and brass emsemble, and a fine appearance at the Homecoming football game.

The adviser this year was William A. Grove. Assisting him in operating the Brown and Gold Band was President John Lelii; and Mgrs. John Mulligan, Tom White, and Ed Jenkins.

The band at Catherine Hall is made up ot students from the fifth, sixth, seventh, and eight grades. To become members, students must pass tryouts similar to those of varsity prospects. Musicians who can perform their lessons best are chosen to represent the school. From the Brown and Gold Band come the future members of our MHS Varsity Band.

# OUR DRILL TEAM AND COLOR GUARD

Our Spartan Drill Team and Color Guard, which perform in conjunction with the marching band, was formed in 1962. Students in tenth, eleventh, and twelfth grades are eligible for membership in this organization.

This year the Drill Team took part in the Miss America Pageant in Alantic City and many parades in the local area, as well as halftime performances at Mitlon Hershey School football games.

This year Gerald Long, faculty adviser, has approximately thirty students participating along with Senior Student Drill Sergeant William Sarver. The Drill Team and Color Guard deftly combine use of the rifle and precision marching into short snappy routines for the pleasure of all who watch them.

COLOR GUARD—**First Row:** I. McAdams, K. Schreffler, D. Frey, R. Chambers, R. Sundermeier, R. Orndorff, L. Fordyce, J. Gable.

# OUR POPULAR GLEE CLUB

Milton Hershey's Glee Club, under the direction of Virgil L. Alexander, presents a refreshingly different style of entertainment that marks it as one of the East's most popular performing groups. The 1968 edition of the Glee Club is no different from past groups; its stage versatility is suggestive of a broadway production, with each song invidually staged. The choreography may include an intricate marching imitation of a drum and bugle corps, a soft shoe routine, a stylized presentation of a hymn, or a hilarious interpretation of a novelty song.

The Glee Club has no set program; therefore it can sing for a great variety of occassions drawing from a repertoire of over forty songs.

This year's officers are John Beekman, president; Richard Francis, manager; Mike Clifford, secretary; Terry Defibaugh, librarian; and Mike Moulder, historian.

**GLEE CLUB—First Row:** D. Kowacz, H. Lotz, K. Schreffler, M. Clifford, M. Moulder, L. Moody, J. Beekman, L. Strayer, R. Esterlund. **Second Row:** P. Biffel R. Kabinoff, F. Parrish, S. Rosen, S. Francis, S. McDonald, M. Horn, A. Sell, J. Parrish, J. Foreman, C. Strachan.

# THE SPARTAN ORCHESTRA

The Spartan Orchestra played for many groups and organizations this year including performances at the Veterans' Hospital in Lebanon, the Homecoming Dance for the alumni, the Central Pennsylvania Stage Band Contest, Carlisle Country Club, Zembo Mosque, and Hershey High School.

Throughout the year the orchestra played from a varied repertoire of music including waltzes, fox-trots, polkas, Latin American melodies, and popular music.

Under the direction of W. Purnell Payne, the orchestra again rebounded from the loss of seven of its members from the previous year through graduation. Last year's returning members shared their experience in helping Mr. Payne through hours of diligent practice as he molded the incoming members with those remaining from last year into a very fine playing group.

The Spartan Orchestra officers for this year were Ronald Benovitz, president; Henry White, vice-president; Fredrick Eck, secretary; and Charles Spicknall, manager.

**SPARTAN ORCHESTRA—First Row:** C. Fritz, J. Verrecchia, M. Dennis, R. Sigmon, F. Eck, Secy., G. Blackburn, J. Clever. **Second Row:** M. Struzzeri, G. Rippel, C. Spicknall, Manager, H. White, Vice President. **Third Row:** C. Lohler, J. Davies, G. Keller, R. Benovitz, President, D. Frederick, M. Moreland.

# OUR INTERMEDIATE AND BOY CHOIRS

The Memorial Hall Choir, under the direction of Miss Lynette Waller, and the Choir Boys of the seventh and eight grades, under the direction of Harold Reichard, begin the development of our music program early at MHS.

This year's officers are Steven Brody, president; Robert Hissick, vice-president; John Claybourne, librarian.

The Chorus sings for Sunday worship services, performs for civic groups and special Christmas Programs in the immediate area, Parent Weekend activities, and school assemblies.

Boys qualifying to sing in one of the choirs must be able to contribute to a group activity and have a recognized ability for singing. In addition to its beautiful presentations from its repetoire the Memorial and Boy Choirs provide opportunities to develop leadership.

**BOY CHOIR—First Row:** C. Mentzer, R. Constant, T. Zalek, R. DeWease, D. Dinkle, R. Outeda, D. Hissick, A. Murnin, B. Rider, R. Sutton, D. Cox. **Second Row:** J. Burton, G. Smith, R. Cather, J. # THE HANDBELL CHOIR

Harold E. Reichard will be directing the Varsity and Junior Varsity Handbell Choirs through their fourth season this year. The Handbell Choir this year has made arrangements to appear in approximately twenty-five public performances throughout the surrounding communities.

The Varsity Handbell Choir is composed of seventh and eighth graders while the Junior Varsity is made up of sixth graders. Those boys who qualify for membership in this branch of Milton Hershey School's music program are afforded the opportunities to develop a strong sense of musical coordination and stimulate their musical growth while presenting an entertaining ensemble. The use of the Westminister Chimes in their performances gives the Handbell Choir a professional tone in their music.

Our entire School is proud of the Varsity and Junior Varsity Handbell Choirs for the recognition they have brought to our School in addition to the integral part they play in our school music curriculum.

# THE SPARTAN OUR SCHOOL MAGAZINE

THE SPARTAN, Milton Hershey School's student magazine, is published by our print shop six times a year. The issues are the Fall, Christmas, Literary, Alumni, Spring, and Graduation. Publication of THE SPARTAN provides interesting reading for subscribers while giving pratical experience in writing and fine layout and design pratice to those who work on its contents.

With an enlargement of the editorial staff, the quality of THE SPARTAN also improved. Student compositions and various articles were complimented by the art work of Art Editor Ralph Hofneckt. Much of the material presented this year came from students not on the staff and added a refreshing change of style to our reading.

THE SPARTAN advisory board of the 1967-68 school year consisted of William G. Altland, chairman; Richard Hugendubler, offset; Merl Stuckey, printing; Russell C. Klinger, circulation, and Mrs. Betty J. Lighty, subscription.

Editor-in-chief this year was Mark Reiter. The Associate Editors were: Larry Herzberg, News; Dave Cundey, Sports; Mel Horn, Feature; Samuel Sisco, Exchange; Leon Demsky, Alumni; Ralph Hofkneckt, Art and Robert Leach, Layout.

These boys, in addition to the circulation and production staff of THE SPARTAN, deserve much credit for a job well done. They have made THE SPARTAN a student publication of which we can be proud, by encouraging creative and expository writing.

**KEY MEN:** The three men who decide WHAT and HOW for THE SPARTAN—Richard Hugendubler, offset, William Altland, chairman and literary adviser, Merl Stuckey, printing.

# ACROPOLIS STAFF AT WORK

The Acropolis staff has done its best to summarize this year's activities. We share with our advisers the hope that we have been successful in capturing those moments which will live in memory long after graduation.

Because of the nature of our School, it has been neccessary to give recognition to all the people who contributed their services in areas of food, clothing, housing, education and transportation. As our facilities continue to expand, the job of the editorial staff becomes more exacting. We must coordinate all the phases of Milton Hershey School life into our yearbook by a lavish use of photographs and succinct copy to tell an accurate, interesting story.

We hope you will enjoy Acropolis '68. How successful we have been is your decision.

**ACROPOLIS LAYOUT STAFF:** D. Thompson, R. Kallman, T. Gahagan, Charles A. Astfalk.

# OUR SPARTAN CHEERLEADERS

Working under the guidance of faculty adviser George Hollich, the cheerleaders have helped to foster and promote good school spirit. The organization of a Spartan Spirit Club just before the basketball and wrestling seasons helped to bring out the true spirit of the student body and proved to the Spartans that their efforts were receiving the support of the student body.

The cheerleaders have planned and staged pep assemblies, decorated the stadium for home football games and the gym for basketball, prepared spirit drives, and gone along to all away varsity competition to back up our teams.

This year school spirit has shown a new intenseness, thanks to the cheerleader's introduction of many new and unique cheers.

# OUR VARSITY FOOTBALL TEAM

The 1967 varsity football team, under the guidance of Head Coach Gary Cooper and Assistant Coaches Donald Hartman, James Henry, and Joseph D. Smith, compiled a 1-11 record. The record doesn't indicate the true hustle that was exhibited throughout the season.

The Spartans entered the season with hopes of finishing high in the Capital Area standings. After the opening loss to Hershey High School, it was mostly downhill for the remainder of the season. However, the varsity, playing to its potential on a beautiful Homecoming Day, surprised visiting Susquehanna, handing the Indians a 7-6 loss.

This year's team was highlighted by the running of Don Bunfield, and by the line blocking of Mike McCarthy and Gary McCalmont. Quarterback John Mardula proved capable at the helm. Defensive standouts were Jim Weidman and Joe Parrish.

Looking forward to next year's league play are Steve Hughes, Larry Pinch, Dan Duppstadt, Larry Skelly, Angelo Freni, Mike Rhen, John Mardula, George Giles, Jim Hamilton, Gary Knisely, Dennis Batrus, Jim Harvey, Ed Bucks, Bob Williams, Rich Prokopick, George Blackburn, Tom Gaffney, Chris Sulzer, Tom McCauley, John Walker.

# JUNIOR VARSITY - - - OUR FUTURE VARSITY

This year's junior varsity team, coached by Donald Hartman, represented Milton Hershey very well, concluding their season of play with a 6-2 record. The little Spartans got off to an extremely fast start, winning their first five games in a row. The initial victory was over Hershey High, won by a score of 12-6 The Spartans scored twice in the second half, getting a touchdown in both the third and fourth quarters. When a punt was blocked by Hershey and taken into the end zone for a touchdown, Trojan fans thought Hershey might go on and win. The Spartans didn't quit, though, and won the game.

East Pennsboro was the next victim for the Spartans. Touchdown runs of 8 and 64 yards by George Gulliver and Jim Usher respectively were complemented by a safety scored by Chris Sulzer, when he tackled a Panther ballcarrier in the end zone. The final score was 15-12.

The J. V.'s came from behind to triumph over Cumberland Valley 12-7. Both teams scored first half touchdowns, but it was the Eagles' extra point that gave them the lead. In the fourth quarter, Cumberland Valley's momentum was stopped by an interception. The decisive tally, a 30 yard run by Tom McCauley provided the necessary points for the victory.

The little Spartans experienced little difficulty defeating Susquehanna 26-0. Two second quarter scores by John Hanawalt and Jack Hagerty were sufficient for victory. Not content with the score as it was, the J. V.'s stormed for two third quarter touchdowns on a blocked punt by Chris Sulzer and a short run by Tom McCauley.

The Spartans continued their winning ways with a 20-6 victory over Annville-Cleona. The J. V.'s scored three times before the Dutchmen managed a fourth quarter touchdown.

Our J. V.'s streak was stopped by the Patriots from Red Land. Leading 2-0 until the fourth quarter, the future varsity seemed to have contained Red Land's offense. However, late in the fourth period, the Patriots scored the winning touchdown on a 40 yard run.

Our quarterback was Frank Parrish, with Tom McCauley and George Gulliver as running backs. John Hannawalt played admirably at end, while Charles Longenecker and Chris Sulzer led the defensive corps.

# OUR 9TH GRADE FOOTBALL TEAM

This year's ninth grade football squad, under the direction of Coach Larry Casebeer, compiled a 4-2 record. Competing against some of the area's toughest freshmen squads, the young Spartans played admirably and achieved success only by working harder than their opponents.

The purpose of ninth grade football is to teach the fundamentals of the gridiron sport and to lay a foundation that can be built on through the junior varsity, varsity, and possibly college years. Coach Casebeer has succeeded this year in producing a group of boys who will, in the years to come, display all the fine qualities that make up the distinguished athlete.

A true measure of the Spartan's pride and ability was in the making when the freshmen were challenged by Palmyra for the second time in the season. There was a special incentive for the young Spartans. It was their last game of the season, and they were out to avenge an early season loss handed to them by the very same Cougars. Led by season-long standouts such as Scott McAdams, Mike Manning, Gene Hunking, John Churchfield, Bob Weidman, the Spartans overcame the earlier 7-6 loss and beat Palmyra 12-7.

# CROSS COUNTRY- LEAGUE CHAMPIONS

Milton Hershey School was proud to incorporate a Cross Country team into its interscholastic program for the first time this year. The Spartan harriers proved to be a successful group, as they displayed fine endurance running in establishing a perfect 9-0 record.

The high point of the season came when the Annville-Cleona Dutchmen invaded the home camp. On the grueling Milton Hershey course, the Spartan runners were intent on beating last year's CAC champions. In a very close meet, Milton Hershey proved themselves to be better, squeaking by Annville 26-29.

Those most instrumental in the winning ways of the team were Karl Dieter, Steve Krause, and Bill Gorrell. They were given tremendous support by Brian Yost, Randy Younkin, and the entire cross country team.

# HOCKEY- A WINTER SPORT

In junior hockey this year, the Milton Hershey Comets finished at the top of the Pee-wee league with a 9-3 record. The younger Meteors compiled a 1-10-1 record , barely escaping last place. Coach Jack Rosensteel produced two Hershey All-stars this year, Steve Waite and Jim Maloney. The Jets finished last, but produced two Olympic All-stars in Jack Mulligan and Mike Levering. In the words of Coach Rosensteel, "The hockey program at Milton Hershey has come a long way."

Coached by John Cook, the varsity basketball team compiled a 5-17 record during the 1967-1968 school year.

The Spartans were comprised of mostly underclassmen this year, and the experience they gained will prove invaluable next season. Only four lettermen returned for competition, including seniors Tom Davidson, John Egnew and juniors Jim Hamilton and John Mardula. They were capably assisted by Jay Rountree, Tom Connolly, and Mike Dennis.

Jay Rountree, our 6'6" center, is on his way to a school scoring record, as he jammed in 253 points in this, his sophomore year.

It was a disappointing year in league action, as Milton Hershey finished low in the standings. This was, however, a rebuilding year. One highlight of the season was the defeat of Valley Forge Military Academy 55-50 to maintain a perfect two year record against the Academy.

# THE JUNIOR VARSITY

Preceding every varsity basketball game is the contest played by the junior varsity. Many take great interest in the jayvees because they know that future varsity success depends on how the younger players mature. At Milton Hershey, it is a special treat to follow junior varsity action because the young Spartan hoopsters annually enjoy winning seasons. This fact was true again this season as the junior varsity, coached by Gerald R. Long, compiled a 14-8 record.

The Spartans made up for their deficiencies by consistently out hustling their opponents. Contributing to the team's success were center Paul Schoolik, forwards Jim Halbleib, Mike Resig, George Hannaford, and guards John Hanawalt, Dave Feese, and Brook Russell.

# 9TH GRADE BASKETBALL

Under the direction of Coach Larry Hollingshead, the ninth grade basketball team completed their season without winning a game, compiling an 0-15 record.

The nucleus of the squad was comprised of center Gene Hunking, forwards Dave Walsh and Eric Sarver, and guards Tom Rothert and Ed Hall. As a team, the freshmen averaged 37.2 points a game.

The little Spartans were noted for their stubbornness against the top ball clubs. Against second place Cedar Crest, the freshmen lost by only four points, 35-31, in their second meeting of the year, after losing an earlier battle 65-27. Against first place Lebanon Catholic, the little Spartans lost their first two meetings by a total of eight points. In the third game, Milton Hershey was again denied the victory on an overtime buzzer shot that gave the Beavers a 51-49 victory.

# OUR WRESTLERS FOR 1968

Milton Hershey School had an average wrestling season this year, compiling a 5-4 league mark and a 5-8-1 record overall. The varsity was led by the Rupp twins, Jim and Tim. Both had 11-3 records. Tim earned his third varsity letter, while Jim earned his second. In competition with wrestlers from forty-nine private schools at The National Prep School Wrestling Tournament held at Lehigh University March 1-2, Tim Rupp captured First Place in the 115 weight class.

Backing up the Rupps were Lee Strayer, the holder of a 6-4 record, Dave Maitland, who won seven of eight, and Jim Orcutt, who finished 7-6 for the year.

The jayvee matmen, coached by Bryan Seese, went undefeated in league play. Mercilessly destroying most opponents, the Spartan jayvees enjoyed a 12-2 seasonal record, including a 60-0 romp over Palmyra.

# SPARTAN SWIMMING TEAM

Coached by Richard E. Thieler, the varsity swimming team compiled a 4-8 record this year. This was Milton Hershey School's best competitive season in the short history of this varsity sport.

The Spartans started like champions, impressively conquering their first three opponents. The tankmen had many outstanding performances. New school records were established including a new backstroke time of 1.00.3 by Scott McAdams, a 4.45.1 in the 400 yard freestyle by Pete Biffel, and a 1.12.7 in the breaststroke by Bob Falcone. These swimmers were given tremendous support by Lee Samsel, Bob Weidman, Brian Durgin, and Mike Copenheaver.

# INTRAMURAL SPORTS AND SKATING

The Intramural Sports program at Milton Hershey School has developed into a diversified and full time operation. Under Lawrence Best, Director of Recreation, intramural activity reached a new peak of accomplishment in 1967-1968.

Along with the favorites such as softball, basketball, ping pong, and chess and checker tournaments, inter-cluster hockey was introduced and proved to be a successful endeavor. From this stemmed an attempt to include Milton Hershey in a local inter-scholastic hockey program.

The annual basketball tournament, which draws the most attention and provides the most enjoyment, was won in 1967 by Manada. Our top softball team was Evergreen. Many boys gained valuable lessons and learned new things about themselves by participating in this integral part of Milton Hershey life.

Our yearbook serves as a memory book to identify past associates,as a complete history of a school year, as a book of reference; it promotes school morale, gives literary training to students, and spreads knowledge of the purposes and accomplishments of our school. Without the skills of the printing students, this book would not be possible. Our School is unique in having its yearbook composed, printed, and bound by its own students.

The boys of the visual communications shop, under the guidance of Merl L. Stuckey, Letterpress Printing adviser and Richard O. Hugendubler, Offset Printing adviser, assume the formidable responsibility of producing our yearbook. The enormity of this task is further multiplied when we think of the sundry other responsibilities of the print shop: printing THE SPARTAN, the Sunday Worship Service programs, football programs, permit cards and many other items.

The students of this shop, along with their adviser, deserve special recognition for this work which they perform.

One responsibility of the printers is determining the type of paper and the style of type which will be used in printing the ACROPOLIS. But this is merely the beginning of the process involving numerous skills used in forming the yearbook. The printers must then make up the pages; that is, set them so they are perfectly centered and margins are correct. The pages must then be run off on one of the presses. Half of this is done by use of offset printing and half by letterpress printing. Robert Leach is in charge of the offset printing. The offset presses used here involve the use of a flat surface doing the printing in contrast to the raised surface printing done on the letterpress machines, of which Robert Seuffert is foreman. Once the printing has been completed, the pages must be collated, bound, and trimmed to form our yearbook.

What evolves is a yearbook in which we can all take pride, one done by our own students who have worked faithfully and diligently because of the pride in our school. Eliminated is all of the advertising found in many of today's yearbooks, which detracts so much from its appearance, making it seem commercial. In addition, we are able to have day to day supervision of the work which is being done on our ACROPOLIS and are able to reduce its cost to a level attainable by all our students.

The visual communications shop truly deserves this special recognition for its fine work rendered for the advancement of our School.

The Lord is my shepherd, I shall not want; he makes me lie down in green pastures.

He leads me beside still waters; he restores my soul.

He leads me in paths of righteousness for his name's sake.

Even though I walk through the valley of the shadow of death, I fear no evil; for thou art with me; thy rod and thy staff, they comfort me.

Thou preparest a table before me in the presence of my enemies; thou anointest my head with oil, my cup overflows.

Surely goodness and mercy will follow me all the days of my life; and I shall dwell in the house of the Lord forever.
